HAN SOLO'S HOME PLANET
ERUPTS IN WAR!

A trade summit on Corellia brings Han Solo back to the home world he left many years before. Arriving on the distant planet with Leia, their children, and Chewbacca, Han finds Corellia overrun with agents of the New Republic Intelligence and finds himself part of a deceptive plan whose aim not even he understands. As jammerships block all communication with Luke Skywalker and the outside universe, Han and Leia find themselves trapped on a world about to explode in violence unless they can meet a fanatical Rebel leader's impossible demands....
